ICOx Innovations Announces Uplisting to OTCQB Market

Trading Continues Under Ticker "ICOX"

LOS ANGELES, CA, February 12, 2019 – ICOx Innovations Inc., (OTCQB: ICOX) (TSXV: ICOX) (the "Company" or "ICOx Innovations"), which designs and creates branded blockchain economies for established companies to benefit and grow their businesses through blockchain technologies and branded corporate currencies, today announced that its common shares have been approved for trading on the OTCQB Marketplace (OTCQB) under the symbol "ICOX" effective as of the open of trading today.

"The listing of our common stock to the OTCQB Exchange is an exciting milestone for ICOx Innovations," said Bruce Elliott, President of ICOx Innovations. "While ICOx has been a fully reporting company since its inception, and we always hold ourselves to the highest regulatory and compliance standards, we believe that the broader exposure afforded by the OTCQB will raise our visibility within the investment community and assist in increasing the liquidity of our common stock. In addition, we believe that trading on this established public market will help to generate exposure of our Company among institutional investors."

The OTCQB is a venture market operated by OTC Markets Group and designed for early-stage and developing US and international companies. To be eligible, companies must be current in their reporting and undergo an annual verification and management certification process. To learn more, visit otcmarts.com
